Park Avenue & Cook Street

New Board Members Sworn In - April 25th

Trustees Tim Roberts, Steve Miller & Beth Raseman are sworn in by The Honorable Samuel J. Betar, III, 3rd Municipal District of Circuit Court of Cook County.

Village Clerk Ron Koppelman is congratulated by Judge Betar after being sworn into office.

President Karen Darch takes her oath of office on April 25th.

Trustee Jeff Anderson takes his oath of office after being appointed by newly elected President Darch.

IL Treasurer's Office Programs

A representative from the Illinois State Treasurer's Office will be on hand at the Village Hall to discuss two office programs regarding unclaimed property and how to save for college on Friday, June 17, 2005 and Monday, June 20, 2005 from 10:00 a.m. to 4:00 p.m.

The Cash Dash program allows you to run your name through the treasurer's office computer to see if it appears in a database for any unclaimed property or assets. Unclaimed property can be savings and checking accounts, safe deposit boxes, money orders, gift certificates, unclaimed wages, stocks, utility deposits and much more.

Bright Start is billed as the smart way to save for college. Open an account for any beneficiary with as little as \$25 and enjoy significant tax advantages at the federal and state level.

For more information, call 312-814-3742.

BACOA Thanks Village

The Barrington Area Council on Aging, at its April annual meeting, thanked the Village of Barrington for its support of BACOA's move to The Garlands of Barrington. BACOA Executive Director Joyce Palmquist (r) presented a plaque to Village President Karen Darch (c) and Denise Pieroni, director of administrative services (l).

Mulching of Trees

Many of you know that mulching is probably the best single thing you can do for your trees and shrubs. If done correctly, it helps plant roots stay cooler in the summer, eliminates competition between turf grass and plant roots for such essentials as water and nutrients and it helps in reducing erosion. Please remember to follow these important steps:

- Never mound excess dirt or mulch up around tree. The extra material must be removed as it causes decay in the trunk of your trees.
- Place a 2" to 4" layer of mulch over the planting bed. This will help plant roots stay cooler in the summer, eliminate competition between turf grass and plant roots for such essentials as water and nutrients and it helps in reducing erosion. Wherever possible, the mulch bed should be as wide as the tree is tall, especially for younger trees.

The drawings to the right illustrate the correct and incorrect method of mulching.

19th Arts Festival

Celebrate the arts at the 19th Annual Summer Art Festival on Sunday, June 19th, from 10:00 a.m. - 5:00 p.m. Stroll through a day full of visual, musical and other performing arts. A delightful selection of fine art and fine crafts will be offered for sale by a variety of artists. The event will take place at the Harris Bank Parking Lot and Station Street in Downtown Barrington. Admission is free. Refreshments will be available from Grandpa's Deli, Rib House, Sweets & Treats, and Drizzled & Co. For more information, call the Barrington Area Arts Council at (847) 382-5626.

10th Run for the Arts

The 10th Annual Run for the Arts, presented by the Barrington Area Arts Council (BAAC), features a 10K run, which follows a scenic route through Barrington Hills, a 5K run/walk and 2K walk through the streets of the Village of Barrington. Runners will compete for prizes and awards in more than 25 categories. The 10K and 5K events will kick-off at 7:30 a.m. on July 4, 2005, from Park Avenue, while the 2K walk begins at 7:45 a.m. Registration forms and fee information may be obtained from BAAC (121-B Barrington Commons Ct. (847) 382-5626), or at Good Shepherd Hospital Health & Fitness Center (1301 S. Barrington Road (847) 620-4500), or register online at www.active.com - T-shirts guaranteed to the first 300 pre-registered participants (before June 24).

2nd Freedom Festival

Plan to bring family, friends and the whole neighborhood to We Do Care's second annual Freedom Festival on Sunday, June 26, 2005 from 11:00 AM until 5:00 PM at Langendorf Park. The Festival is free for one and all. Check for up-to-date details at www.we-do-care.org. The day promises to be a festive and family oriented occasion for the community to come together in the park to enthusiastically support and thank our men and women in uniform, their families and veterans. Planned events include entertainment, military speakers, military vehicle display, and much more.

Ron Santo Day

Ron Santo is scheduled to come to Barrington on June 9, 2005 where he will accept a donation from the Barrington Youth Baseball & Softball League to the Juvenile Diabetes Research Fund. During Ron Santo's visit to Barrington, he and his partner, Pat Hughes, will spend several hours talking to Barrington families about baseball and their personal experiences, and answering questions from Barrington youth. Funds generated by Ron Santo's visit will go toward a capital fund established by Barrington Youth Baseball & Softball League for construction of new baseball fields. Watch for more information...

Village Vision

The Vision of Barrington is to preserve and promote its unique small town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.

The Community is committed to preserving the quality of its neighborhoods, the quality of education, and the diversity of leisure time activities. The community is dedicated to fostering an easily-accessible center of activity for the Barrington area, maintaining a prosperous economic base, protecting its extensive natural resources and promoting public participation and communication.

HOT TIPS

WATER CONSERVATION

Now that summer is here, additional water is being used by consumers to maintain lawns, gardens and trees. This extra water usage has incurred a higher demand on the water system. Although the Village does not yet need to introduce water restrictions, we ask you to voluntarily limit your watering to odd/even days (i.e. addresses ending with an even number water on even days of the month) and, to make a conscious effort to conserve this precious resource throughout the remaining summer. For information on useful water conservation tips, please check the Village's website at www.barrington-il.gov.

MOSQUITOES - WEST NILE VIRUS

The Lake County Health Department has reactivated its West Nile Virus hotline. The hotline number is 847-377-8300 and provides information about West Nile Virus and allows residents to report dead bird sightings (crows & blue jays), which can indicate the virus in the region, as well as neglected pools and other conditions conducive to mosquito breeding. For more information regarding ways to protect against West Nile Virus, please check the Village's website at www.barrington-il.gov.

SIGNS IN RIGHT-OF-WAY (ROW) (PARKWAY)

Home for Sale signs & Garage Sale Signs placed in the ROW will be removed. As a good practice, do not place signs in the area between the curb and sidewalk. Contact the Building & Planning Department at 847/304-3460 for a Garage Sale Permit.
